ANNOUNCEMENTS AND NOTICES

Anesthesiologists, Permanent and Locum, Victoria BC

The Department of Anesthesia of Island Health seeks additional energetic and dedicated full-time anesthesiologists, including individuals with fellowship training in cardiac anesthesia, to join our team of forty members. Locum opportunities are also available.

Eligible applicants must hold Royal College of Physicians and Surgeons of Canada certification in Anesthesiology and be eligible for full licensure with the College of Physicians and Surgeons of B.C.

We are a growing, collegial, academic department providing services integrated across two tertiary hospital sites in Victoria. Affiliated with the University of British Columbia, and the Island Medical Program, responsibilities will include both direct clinical care and teaching of medical students and residents.

Victoria, the capital city of British Columbia is world-renowned for its natural beauty and temperate climate. Located on the southern tip of Vancouver Island with proximity to Vancouver and Seattle, Victoria offers unlimited possibilities for your career, family and future!
