

The University of British Columbia
Department of Anesthesiology, Pharmacology and Therapeutics
RESIDENTS' WEEKLY ACADEMIC SCHEDULE

Tuesday October 14, 2014

0700 – 0730 INTERESTING CASE ROUNDS at RCH
RCH Anesthesia Office

Wednesday October 15, 2014

0700 – 0800 GRAND ROUNDS at VGH
Changing the Process from n.p.o. after midnight
Dr. Andrew Meikle
Round Room – Sassafras Cafeteria

ACADEMIC DAY at St. Paul's Hospital

0715 – 0815 GRAND ROUNDS at SPH
Minimally Invasive Therapies for Structural Heart Disease:
Global Periprocedural Trends and Future Directions
Dr. David Wood, Clinical Associate Professor, UBC Dept. of Medicine, Cardiology
Providence Level 1, Cullen Family Lecture Theatre (formerly New Lecture Theatre)

All sessions in SPH 1500 LT (except where indicated)

0830 – 1030 CASE BASED LEARNING
(Rooms: Providence Level 1, 1500 LT, Conf. Rm. 3 and Providence Level 4 Dining Rooms 1&2)
Aortic Stenosis & TAVI
Moderators: Drs. Alex Wong & Cristin McRae / Supervisor: Dr. Kevin Rondi

1030 – 1045 COFFEE BREAK

1045 – 1145 STAFF LECTURE
Hypothermic Circulatory Arrest
Dr. Kevin Rondi

1145 – 1230 INDIVIDUAL ANESTHETIC PRACTICE PLANS
Residents: Drs. Perseus Missirlis & Alison Read / Supervisor: Dr. Kevin Rondi

1230 – 1330 LUNCH

1330 – 1430 RESIDENT CORE TOPIC LECTURE
Cardiac Pharmacology
Resident: Dr. Reza Faraji / Supervisor: Dr. Kevin Rondi

1430 – 1530 INTERESTING CASE PRESENTATIONS
Residents: Drs. Julie Paget & Carrie Goodine

R5 SEMINAR SERIES

- 1600 – 1800** Group 1 (Dr. Kenneth Ryan)
RCH, Room 04
- 1600 – 1800** Group 2 (Dr. Charles Lo)
SPH, Providence Level 1 Conf Room 3

VISITING PROFESSOR LECTURE SERIES

Visiting Professor Lecture Series, Wednesday October 15, 2014

Dr. David Wood, Clinical Associate Professor, UBC Department of Medicine, Cardiology

TOPIC: Non-Cardiac Surgery in Patients with Structural Heart Disease: Current Practice and Future Directions

Appetizer reception 1730 – 1800 at Conference Room 3151, JPN – VGH. Lecture 1800 – 1900 at CESEI Lecture Theatre, Room 3600, 3rd Floor of Jim Pattison Pavilion, North at VGH.

Dr. Wood will also do morning rounds (topic: **Minimally Invasive Therapies for Structural Heart Disease: Global Periprocedural Trends and Future Directions**) at 0715 on Wednesday October 15 at St. Paul's Hospital and at 0730 on Thursday October 16 at Royal Columbian Hospital.

Thursday October 16, 2014

- 0645 – 0720** **SPH Thursday Morning Case-Based Teaching Rounds**
Staff supervisor: Dr. Cynthia Yarnold / Resident: Dr. Marcio Penner
Location: SPH OR classroom
- 0730 – 0830** **Anesthesiology Visiting Professor Rounds at RCH**
Location: Neil Russell Room, RCH
Topic: "Minimally Invasive Therapies for Structural Heart Disease: Global Periprocedural Trends and Future Directions"
Presenter: Dr. David A. Wood
Only residents doing Anesthesia rotations at RCH should attend.
- 0800 – 1500** **SIMULATOR**
Location: VGH, CESEI, Room 3602
Registered: Anne-Marie Madden, Francois Pomerleau, Graham Noble, Steven Moore

UPCOMING EVENTS

Journal Club – Monday October 20, 2014

Theme: Chronic Pain (SPH)

Location: Location: Dr. Joe Delvicario's residence [890-8th Street, West Vancouver V7T 1S3]

Time: 1830 – 2030

Presenters: Dr. Patrick Hecht (supervisor: Dr. Bill McDonald)

Dr. Jei Park (supervisor: Dr. Michael Negraeff)

UBC Department of Anesthesiology, Pharmacology & Therapeutics Christmas Party Friday November 28, 2014 (6:30 pm)

Location: University Golf Club – 5185 University Boulevard, Vancouver

Residents and their one guest are invited at no cost with the compliments of the Department.

Please RSVP Winnie Yung at winnie.yung@vch.ca by November 21, 2014

Pain Medicine Residency, University of Toronto

Pain Medicine is a new 2-year sub-specialty residency initiated by the Royal College of Physicians and Surgeons of Canada. The University of Toronto plans to offer a comprehensive multidisciplinary residency training program in Pain Medicine commencing in July 2015. This exciting new residency program will offer unparalleled learning opportunities leading to RCPSC certification in Pain Medicine.

Applications are now being accepted from residents in their final year of residency from the following programs: Anesthesiology, Emergency Medicine, Internal Medicine, Neurology, Pediatrics, Physiatry, Psychiatry, and Rheumatology.

There remains a very large unmet societal need for experts and leaders in all aspects of Pain Medicine. Any resident with an interest in Pain Medicine is encouraged to apply.

Please contact their office if you are interested in applying or if you have any questions. **Program Contact:** Ms. Jennifer Morris, Program Administrator, jennifer.morris@utoronto.ca 416 946-0608

The program description outlining the application and selection process can be found on the residents' bulletin board in the mail room. Alternatively, please email susan.vanbruggen@vch.ca and I will forward it to you. **Application deadline: Friday, November 28th 2014.**

Masters Degree Anesthesiology (MSc): Bench Research at the University of Alberta

Interested in gaining basic research experience while maintaining your clinical expertise?

The Department of Anesthesiology and Pain Medicine at the University of Alberta is actively seeking interested individuals for a research fellowship resulting in a Master of Science (MSc) degree. The fellowship will combine independent clinical practice with a research project under the supervision of an experienced faculty member. Current areas of investigation in basic science laboratories in the department include:

1. Mechanisms of vascular function and hemodynamic regulation
2. Myocardial and organ protection strategies
3. Cellular mechanisms of neuropathic pain

Candidates must have completed or be in their final year of postgraduate training in anesthesiology certified by the Royal College of Physicians and Surgeons of Canada and be licensable for independent practice in the province of Alberta. International medical graduates who have completed an anesthesiology training program and are fully recognized specialists in a comparable jurisdiction are also welcome to apply; however, ability to obtain independent licensure in Alberta to practise anesthesia will be in accordance with the requirements of the College of Physicians and Surgeons of Alberta. Those interested in applying must submit a CV and a cover letter indicating their area of interest for MSc studies. The MSc program is a formal two-year degree program of the Faculty of Graduate Studies and Research at the University of Alberta. For additional information, please contact Dr. Ferrante Gragasin (gragasin@ualberta.ca).

UBC Clinical Investigator Program

On behalf of Dr. Sian Spacey, Director UBC Clinician Investigator Program, we are pleased to announce our Call for Applications for the UBC Clinician Investigator Program for the 2015/2017 academic year.

The UBC Clinician Investigator program is designed to provide a combined research and clinical training stream for residents in Clinical Specialty Programs at UBC. The aim is to encourage young physicians to pursue careers as clinician-scientists and to renew the clinical academic faculty at UBC and other Canadian Medical Schools.

This aim will be accomplished by providing clinical trainees two years of protected research fellowship. The UBC CIP follows the guidelines of the Royal College of Physicians and Surgeons of Canada (RCPSC) and is approved by the [RCPSC](#). **Application Deadline: December 1, 2014.** For eligibility and complete application guidelines, please check our website at <http://www.cipubc.ca/app.html>. For further information contact: Tessa Feuchuk, Program Manager, UBC Clinician Investigator Program, Faculty of Medicine, Dean's Office, Postgraduate Education, Gordon & Leslie Diamond Health Care Centre, 11th Floor, 2775 Laurel, Street, Vancouver, BC V5Z 1M9, Phone: 604-875-4834, Fax: 604-875-4847, Email: tessa.feuchuk@postgrad.med.ubc.ca, Website: www.cipubc.ca
