Abstracts must be submitted through the website: <http://apt.med.ubc.ca/2015-research-day/>. Deadline is **March 23rd, 2015**.

2015 Anesthesia for Global Outreach Course, May 28-31, 2015, Halifax, NS

Hosted by Dalhousie University. The first of its kind in North America (and one of only three offered worldwide), the *Anesthesia for Global Outreach Course* is an annual four-day course that focuses on novel techniques and equipment for delivering anesthesia care in underserved environments – the conditions under which 80% of the world's anesthesia care is delivered. The course also boasts a cadre of world-renowned experts in global health and anesthesia.

By the end of the course, *Anesthesia for Global Outreach* participants can expect to:

- Recognize and demonstrate the knowledge of anesthetic techniques likely to be encountered in low resource settings
- Learn the preparations needed to safely work in austere conditions specific to the practice of anesthesia including intellectual, technical, ethical, and attitudinal factors
- Discuss and demonstrate various means of delivering educational programs in resource-poor environments such as the use of simulation to practice clinical and technical skills and care delivery
- Discuss the psychological and ethical adaptations that occur when working in an austere practice environment

For more information and to register, please visit: <http://anesthesia.medicine.dal.ca/global-health/global-outreach-course.php>.

IWA-2015, International Workshop on Anesthesiology July 21-22, 2015, Istanbul, Turkey

A Message from The Royal College of Physicians and Surgeons of Canada: Royal College Examination – Application Deadlines for Assessment of Training

Registration for the certification examinations is a three-step process

Step 1

Applicants must complete and submit the application for assessment of training

http://www.royalcollege.ca/portal/page/portal/rc/common/documents/credentials/preliminary_assessment_application.pdf).

The application is not considered complete unless the assessment fee is submitted with the completed application. The deadline for the application for assessment of training is April 30th the year before you wish to take the certification examinations.

Step 2

Applicants will receive a letter regarding eligibility for the certification examinations from the Credentials Unit in December of the year the application is submitted.

Step 3

Applicants must complete and submit the examination registration forms, which are mailed with the letter of eligibility, by February 1 of the examination year. The registration is not considered complete unless the examination fee is submitted with the examination registration forms.

See Policies and Procedures for Certification and Fellowship

(http://www.royalcollege.ca/portal/page/portal/rc/common/documents/credentials/policy_procedures_e.pdf);
