## **ANNOUNCEMENTS AND NOTICES**

### **Fellowship Position Available: Cardiac Anesthesia & Perioperative Echocardiography**

St. Paul's Hospital offers a 12-month adult cardiac anesthesia and echocardiography fellowship. Applicants *must* be FRCPC certified or FRCOC eligible at the time of application. **The next available start date is July 1, 2016.**

St. Paul's Hospital is a busy quaternary care urban hospital in downtown Vancouver BC, Canada. St. Paul's Hospital is the regional referral centre for complex cardiac care, including heart transplantation and mechanical circulatory support.

Approximately 900 open-heart surgeries (CABG, valve repair/replacement), including 100 adult congenital cases, are performed annually. Additionally, 185 transcatheter valve implantations, 50-60 lead extractions, 35 ECMO initiations, 15-20 heart transplants, 15-20 VADs, and 5 TEVARs are performed annually.

The 12-month fellowship includes rotations in the cardiac operating room, transesophageal echocardiography, cardiac surgical intensive care unit, and general operating rooms. Research opportunities are available and fellows are encouraged to pursue research endeavours. 4 weeks of vacation, and funding to attend a major cardiac anesthesia meeting are provided. Salary is \$84,000 CAD annually.

Interested applicants can submit their *curriculum vitae* and a cover letter to: (*electronic submissions are preferred*)
