ANNOUNCEMENTS AND NOTICES

2016 Friedman Scholars Program—Competition Now Open

Deadline: Thursday, March 31st, 2016 at 4:00pm PST

The Constance Livingstone-Friedman and Sydney Friedman Foundation Scholarships in Health Sciences are named after the first two faculty members in the UBC Faculty of Medicine. Drs. Constance and Sydney Friedman believed that a full well-rounded education requires students to learn from different perspectives and learn from different cultures. The goal of the Friedman Scholar program is to provide funding to graduate students or medical residents so that they can pursue a learning opportunity outside of Western Canada to further their career or to bring new perspectives to the education they have already received. For more information, including full guidelines and profiles of previous winners, please visit the following website: <http://grad-postdoc.med.ubc.ca/friedman-scholars-program/>

Position Available: Anesthesiologist at Nanaimo Regional General Hospital

The Department of Anesthesia of Island Health seeks an additional energetic and dedicated full-time anesthesiologist to join our team of 14 members in Nanaimo. Eligible applicants hold Royal College of Physicians and Surgeons of Canada certification in Anesthesiology and are eligible for full licensure with the College of Physicians and Surgeons of B.C.

The Nanaimo Regional General Hospital (224 acute care beds) enjoys state of the art operating rooms and serves an immediate population of 125,000 and a secondary referral population of over 300,000. The Nanaimo medical community has strong primary care physicians, skilled specialist colleagues and provides on-site CT, MRI and nuclear medicine Surgical services include: Orthopedics, General Surgery, Obstetrics & Gynecology, ENT, Urology, Plastics and Oral-Maxillofacial.

Affiliated with the University of British Columbia, and the Island Medical Program, responsibilities will include both direct clinical care and teaching of medical students and residents. Interested candidates, please contact Dr. Sarah Hall,

halljonson@gmail.com
