ASPIRE (Advancing Safety for Patients in Residency Education) workshop Ottawa, ON, May 10-13, 2016

This workshop has been designed for medical educators and residents. [Registration is open until April 26, 2016](#). Offered by the Royal College, the Canadian Patient Safety Institute (CPSI) and Choosing Wisely Canada. The ASPIRE program is a highly-rated, accredited, intensive four-day program offering practical solutions to ensure that patient safety, quality improvement and resource stewardship are adequately and effectively integrated into the medical education curriculum. Participants at the ASPIRE workshop will learn from expert faculty and work in small groups throughout the four days with guidance from faculty to create a curriculum plan they can bring back to their respective institutions. For more info:

Email us at aspire@royalcollege.ca or visit the Aspire website

<http://www.royalcollege.ca/portal/page/portal/rc/events/aspire>.

ANNOUNCEMENTS AND NOTICES

Volunteers Wanted: Resident Wellness Champions Network

The aim of this initiative is to identify resident representatives from each program and/or program site who would serve as wellness contacts for their peers.

This is a volunteer role for any residents who are interested in wellness, and involves a minimal time commitment, approximately 1 to 2 hours per month. Responsibilities include:

- Encouraging dialogue around wellness in residency;
- Sharing wellness communication from the Resident Wellness Office;
- Remaining familiar with support services and wellness resources.

In return, residents would receive:

- A certificate acknowledging volunteer contribution, signed by Associate Dean of Postgraduate Medical Education, Dr. Roger Wong;
- Address the CanMEDS 'Professional' competency;
- Develop skills in leadership and peer support;
- Photo on the Wellness Wall of Fame (and Resident Wellness website);
- Potential for skills training (e.g. safeTALK workshop).

For more information please see the flyer posted on the bulletin board by the residents' mailboxes. If interested, please sign up at: <https://survey.ubc.ca/s/wellness-champions-network/>

Anesthesiologist Position Available, Niagara Health System

Seeking highly motivated physicians with a passion for providing the highest quality care in an innovative culture dedicated to our goal to be an academic community based health care system.

The Niagara Health System (NHS) is one of the largest multi-site health care systems in Ontario serving 434,000 residents within the Regional Municipality of Niagara. With 700 beds, 4,500 employees, 640 physicians and a \$500M budget, the NHS provides a wide range of inpatient and outpatient services across six sites encompassing operations in Fort Erie, Niagara Falls, Niagara-on-the-Lake, Port Colborne, Welland and a new one million square foot state-of-the-art hospital in St. Catharines.

The transformation of healthcare service delivery across Niagara continues with planning underway to build an additional ultramodern hospital in South Niagara Falls to provide accessible and quality healthcare to residents of the Southern Region. The NHS is positioned, by virtue of its geography and regionally distributed resources, to exemplify the best of regional capacity with local service delivery. Strong academic partnerships are a priority for the NHS as the organization builds on a robust relationship with McMaster University's Michael G. DeGroote School of Medicine. As such, we are looking for individuals dedicated to teaching and academics at our Niagara based campus for distributed learning.

For more information there is a position profile posted on the residents' bulletin board in our office mail room or please contact: Ms. Avia Whitehorne, Administrative Assistant Medical Affairs, Niagara Health System, avia.whitehorne@niagarahealth.on.ca / 905-378-4647 ext. 44224 (on behalf of: Dr. Tom Stewart, Chief of Staff, EVP Medical and Dr. Donald DuVall, Chief of Anesthesia)

A Message from The Royal College of Physicians and Surgeons of Canada: Royal College Examination – Application Deadlines for Assessment of Training

Royal College Certification

Royal College certification assures your patients that you have met Canada's national standards for medical expertise in your specialist discipline. Obtaining certification is a two-step process.

Step 1: Confirm Your Eligibility

Confirm your eligibility to write a Royal College certification exam by completing the online assessment of training application. <http://www.royalcollege.ca/portal/page/portal/rc/credentials/start>

Deadline: April 30, 2016

- An email acknowledging receipt of your application will be emailed within two business days.
- A ruling letter outlining your eligibility for the 2017 certification exams will be sent in **December 2016**. Once granted, eligibility is valid for three years.

Step 2: Register for the Exam

Information on the registration process is sent via email once the assessment of training is complete. Your registration form and examination fee must be submitted by:

Deadline: February 1, 2017

Late registrations will not be accepted.
