## **ANNOUNCEMENTS AND NOTICES**

### **Locum and Permanent Opportunities in Prince George, British Columbia**

The University Hospital of Northern BC in Prince George is seeking Anesthesiologists for short and long term opportunities. The Department of Anesthesia at UHNBC provides anesthetic services to a wide range of surgical specialties like general surgery including Whipple's procedure and Esophagectomy, Urology, Orthopaedic, Plastic, ENT, Obstetrics & Gynaecology, Ophthalmology, 24 hours Epidural Service and Vascular surgery. The current on call commitment is approximately 1 in 8.

UHNBC is the Regional Hospital for Northern BC serving both the immediate population of Prince George (approximately 80,000) and is a referral center for outlying communities (total population approximately 400,000). It is the main teaching center for Medical Students in the Northern Medical Program of UBC and provides teaching for UBC Residents in several specialties. A Cancer Centre opened on the hospital site in the fall of 2012 which includes Radiation and Medical Oncology. The ongoing development of UHNBC as a Regional Center and teaching center makes this an exciting time to join the Medical community in Prince George. This will provide further interesting opportunities and experience for this position. The hospital has recently been accredited as a level 3 trauma unit and the ICU is an integral part of this. The Northern Simulation Centre is housed within the Hospital and is an opportunity for those wishing to get involved in Sim-Lab.

Enjoy the outstanding amenities and low cost of living in our beautiful city!

### **Anesthesiologist Positions Available: Niagara Health System**

The Niagara Health System is currently recruiting for Locum, Part Time and Full Time Positions in Anesthesiology. Successful candidates will be placed primarily at the St. Catharines Site which is the main Regional Campus for Niagara Surgical Services. Welland Hospital and Greater Niagara General Hospital also provide Anesthesia/Surgical Services to the Niagara Health System. Along with the current Anesthesia Staff, there will be an expectation of providing some minor coverage to the peripheral sites in a shared schedule. Opportunities in O.R., O.B. and "Out of O.R." anesthesia services are available. Teaching and research are encouraged. The NHS supports the development of the Anesthesia Care Team and has recently expanded the A.A. Program to provide A.A. Services for each hospital site.

The Niagara Health System (NHS) is one of the largest multi-site health care systems in Ontario serving 434,000 residents within the Regional Municipality of Niagara. With 700 beds, 4,500 employees, 640 physicians and a \$500M budget, the NHS provides a wide range of inpatient and outpatient services across six sites encompassing operations in Fort Erie, Niagara Falls, Niagara-on-the-Lake, Port Colborne, Welland and a new one million square foot state-of-the-art hospital in St. Catharines. **Please submit CV and Letter of Interest by July 19, 2016 to:** Avia Whitehorne at [avia.whitehorne@niagarahealth.on.ca](mailto:avia.whitehorne@niagarahealth.on.ca) (a flyer with further information is posted on the residents' bulletin board in the mailroom)

### **Fellowship Position Available: Cardiac Anesthesia & Perioperative Echocardiography**

St. Paul's Hospital offers a 12-month adult cardiac anesthesia and echocardiography fellowship. Applicants *must* be FRCPC certified or FRCOC eligible at the time of application. The next available start date is *July 1, 2017*.

St. Paul's Hospital is a busy quaternary care urban hospital in downtown Vancouver BC, Canada. St. Paul's Hospital is the regional referral centre for complex cardiac care, including heart transplantation and mechanical circulatory support.

Approximately 900 open-heart surgeries (CABG, valve repair/replacement), including 100 adult congenital cases, are performed annually. Additionally, 185 transcatheter valve implantations, 50-60 lead extractions, 35 ECMO initiations, 15-20 heart transplants, 15-20 VADs, and 5 TEVARs are performed annually.

The 12-month fellowship includes rotations in the cardiac operating room, transesophageal echocardiography, cardiac surgical intensive care unit, and general operating rooms. Research opportunities are available and fellows are encouraged to pursue research endeavours. 4 weeks of vacation, and funding to attend a major cardiac anesthesia meeting are provided. Salary is \$84,000 CAD annually.

Interested applicants can submit their *curriculum vitae* and a cover letter to: (*electronic submissions are preferred*)
