ANNOUNCEMENTS AND NOTICES

UBC Clinician Investigator Program Call for Applications – 2016/2018 Academic Year

The UBC Clinician Investigator program is designed to provide a combined research and clinical training stream for residents in Clinical Specialty Programs at UBC. The aim is to encourage young physicians to pursue careers as clinician-scientists and to renew the clinical academic faculty at UBC and other Canadian Medical Schools. This aim will be accomplished by providing clinical trainees two years of protected research fellowship. The UBC CIP follows the guidelines of the Royal College of Physicians and Surgeons of Canada (RCPSC) and is approved by the [RCPSC](#).

Application Deadline: December 1, 2016. For eligibility and complete application guidelines, please check our website at <http://www.cip.med.ubc.ca>.

Info Session: Tuesday, October 18, 6:00 – 7:00 PM Postgrad Conference Room, DHCC 11116, Diamond Centre Bldg.

Locum and Permanent Opportunities in Prince George, British Columbia

The University Hospital of Northern BC in Prince George is seeking Anesthesiologists for short and long term opportunities. The Department of Anesthesia at UHNBC provides anesthetic services to a wide range of surgical specialties like general surgery including Whipple`s procedure and Esophagectomy, Urology, Orthopaedic, Plastic, ENT, Obstetrics & Gynaecology, Ophthalmology, 24 hours Epidural Service and Vascular surgery. The current on call commitment is approximately 1 in 8.

UHNBC is the Regional Hospital for Northern BC serving both the immediate population of Prince George (approximately 80,000) and is a referral center for outlying communities (total population approximately 400,000). It is the main teaching center for Medical Students in the Northern Medical Program of UBC and provides teaching for UBC Residents in several specialties. A Cancer Centre opened on the hospital site in the fall of 2012 which includes Radiation and Medical Oncology. The ongoing development of UHNBC as a Regional Center and teaching center makes this an exciting time to join the Medical community in Prince George. This will provide further interesting opportunities and experience for this position. The hospital has recently been accredited as a level 3 trauma unit and the ICU is an integral part of this. The Northern Simulation Centre is housed within the Hospital and is an opportunity for those wishing to get involved in Sim-Lab.

Enjoy the outstanding amenities and low cost of living in our beautiful city!
