### Position Available for Anesthesiologist at Brockville General Hospital

Brockville General Hospital (BGH), is a 148-bed community hospital located just east of Kingston, Ontario in the beautiful Thousand Islands region. BGH offers full acute care services including emergency and intensive care, medical/surgical care, maternal/child care and mental health care. In addition, a wide range of health services are provided by skilled health professionals working in multidisciplinary teams within a variety of ambulatory clinics including day surgery, ECG, stress testing, radiology, ultrasound, orthopaedic clinic, stroke clinic, breast screening clinic and the Brockville Cardiovascular Program.

Remuneration is Fee for Service with On-call funding. There is opportunity for an academic appointment and participation in post graduate education with Queen's University for those interested.

Successful candidates will possess an FRCPC in Anesthesiology, with or without subspecialty training in Critical Care, and will be eligible for an Ontario license. Preferred candidates will bring clinical excellence and teamwork to ensure that BGH delivers high quality patient care through a well-functioning Anesthesia service. Locum opportunities can be arranged to further explore this opportunity.
