ANNOUNCEMENTS AND NOTICES

Anesthesiology Simulation/Medical Education Fellowship Position, Queen's University

The Department of Anesthesiology and Perioperative Medicine at Queen's University invites applications for a one year Simulation and Medical Education Fellowship commencing July 2017. Graduating fellows from this program will depart with the knowledge, skills and abilities to provide simulation-based education, to utilize educational theory and to pursue research in the field of healthcare simulation. They will have sufficient skills to enhance the education of healthcare trainees and practitioners. The daytime schedule includes 2 academic days per week designated for simulation education and research, and 3 clinical anesthesia days per week. Preference will be given to applicants who have completed their FRCP(C) or who are FRCP(C) eligible. Interested applicants should contact the Fellowship Program Coordinator: Dr. John Murdoch, MD, FRCPC, c/o Ms. Kim Asselstine, Queen's University, Department of Anesthesiology, Kingston General Hospital, 76 Stuart Street, Kingston, Ontario K7L 2V7 Canada
Tel: 613-548-2482 / E-mail: asselstk@kgh.kari.net Posted: 17 February 2017

Position Available for Anesthesiologist at Brockville General Hospital

Brockville General Hospital (BGH), is a 148-bed community hospital located just east of Kingston, Ontario in the beautiful Thousand Islands region. BGH offers full acute care services including emergency and intensive care, medical/surgical care, maternal/child care and mental health care. In addition, a wide range of health services are provided by skilled health professionals working in multidisciplinary teams within a variety of ambulatory clinics including day surgery, ECG, stress testing, radiology, ultrasound, orthopaedic clinic, stroke clinic, breast screening clinic and the Brockville Cardiovascular Program.

Remuneration is Fee for Service with On-call funding. There is opportunity for an academic appointment and participation in post graduate education with Queen's University for those interested.

Successful candidates will possess an FRCPC in Anesthesiology, with or without subspecialty training in Critical Care, and will be eligible for an Ontario license. Preferred candidates will bring clinical excellence and teamwork to ensure that BGH delivers high quality patient care through a well-functioning Anesthesia service. Locum opportunities can be arranged to further explore this opportunity.

Please forward a CV in confidence to: Robb Callaghan, E-mail: rcallaghan@medfall.com Tel: 289-238-9079 Fax: 905-357-2601
