Anesthesiologist (FRCPC), Medicine Hat Regional Hospital, Medicine Hat, AB

Alberta Health Services, South Zone is currently recruiting for a full-time Anesthesiologist beginning as early as May 2017. The Medicine Hat Regional Hospital (MHRH) is an acute care facility, which also includes sub-acute/restorative care beds serving South East Alberta with a catchment population of ~110,000. MHRH has 246 acute care beds, 30 geriatric beds, 10 ICU beds and 7 NICU bassinets. MHRH is an accredited Level 3 Trauma Centre providing coverage in Pediatrics, Geriatrics, General Surgery, Internal Medicine, Obstetrics & Gynecology, ENT, Urology, Orthopedics, Ophthalmology, Plastic Surgery and Cancer services.

The Department of Anesthesia provides 24-hour services to 5 operating theatres with over 7900 surgeries yearly. One anesthesiologist daily provides acute pain services on the units, consult services, anesthesia for psychiatric electroconvulsive therapy (ECT), supports ICU, EM, OB/GYN, ENT, General Surgery, Plastic Surgery, Urology, Ophthalmology and Orthopedics. Also covers Labour & Delivery suite which sees over 1200 deliveries and 350 Cesarean sections yearly.

We are seeking a team player to join our supportive and friendly Anesthesia Department in our new state of the art surgical suites opening September 2017. Remuneration is fee for service with on-call stipend. Recruitment Package may be available. Successful candidates must hold or be eligible for independent practitioner registration with the College of Physicians & Surgeons of Alberta.

Qualified applicants are invited to submit their curriculum vitae or to obtain additional information by contacting:

Nicole Ashman, Executive Assistant, Medical Affairs, South Zone, Phone: 403-502-8648 Ext 2426 Fax: 403-529-8998

Anesthesiology Simulation/Medical Education Fellowship Position, Queen's University

The Department of Anesthesiology and Perioperative Medicine at Queen's University invites applications for a one year Simulation and Medical Education Fellowship commencing July 2017. Graduating fellows from this program will depart with the knowledge, skills and abilities to provide simulation-based education, to utilize educational theory and to pursue research in the field of healthcare simulation. They will have sufficient skills to enhance the education of healthcare trainees and practitioners. The daytime schedule includes 2 academic days per week designated for simulation education and research, and 3 clinical anesthesia days per week. Preference will be given to applicants who have completed their FRCP(C) or who are FRCP(C) eligible. Interested applicants should contact the Fellowship Program Coordinator: Dr. John Murdoch, MD, FRCPC, c/o Ms. Kim Asselstine, Queen's University, Department of Anesthesiology, Kingston General Hospital, 76 Stuart Street, Kingston, Ontario K7L 2V7 Canada
