

**Appendix C – Exit Survey**

<b>Application process</b>	<b>Disagree strongly</b>	<b>Disagree</b>	<b>Uncertain</b>	<b>Agree</b>	<b>Agree strongly</b>	<b>Does not apply</b>
The application package and/or web site gave sufficient information about the program and application process.						
I was able to obtain sufficient information about the research interests of possible supervisors when I needed to choose a supervisor.						
<b>Beginning the program</b>						
When I began, I had a clear understanding of:						
The expectations and roles of the supervisor.						
What was expected of me.						
The program requirements and procedures.						
The resources and facilities available to me.						
<b>Research culture</b>						
The program ensured that:						
Students do not feel isolated.						
I was given opportunities to meet with other students as a group.						
I was given sufficient opportunities to present my research.						
Any conflicts that arose were resolved satisfactorily.						
I have a good knowledge of the careers available to me.						

<b>Curriculum</b>	<b>Disagree</b>	<b>Disagree strongly</b>	<b>Uncertain</b>	<b>Agree</b>	<b>Agree strongly</b>	<b>Does not apply</b>
The required courses provided an excellent grounding for the field of pharmacology.						
I was able to take elective courses that helped provide me with a significant foundation of knowledge for my field.						
The comprehensive examination was a valuable learning experience.						
My comprehensive exam allowed a fair assessment of my knowledge and research design abilities.						
My final exam was carried out in a fair manner.						
<b>Administration</b>						
My questions and concerns were addressed satisfactorily.						
I had no significant problems with regard to registering, exam scheduling, etc.						
I would highly recommend this program to interested students.
